Search our site: These hands-on free Bible study lessons and Ebooks were written and created as part of ongoing ministries. Most are ones we personally created and have used along the way in helping others know God through His Word and His world around us while others are being shared freely by our friends and coworkers for His Kingdom. These free Bible study lessons teach basic Bible truth and Biblical facts that are applicable to our daily lives and living out our faith in Jesus right where He has placed us. Just like the dandelion seeds being carried off by the wind as in this photo, the seeds of God's Word should be carried through our lives to others. In various parables Jesus talked about us planting seeds. We plant and water, but it is ultimately God Who gives the growth. Here at Creative Bible Study, we want to plant and water and allow God to bring the growth in our life and in yours and in the lives of others. May others see Jesus in us. A Few New Lessons for kids, youth or Adults Esther: From Orphan to Queen God used Esther, an ordinary orphan, to become a queen and hero for His people. God has a plan for each of us as we trust and follow Him each and every day. His ultimate plan is that we become His children - princes & princesses! Andrew: An Unsung Bible Hero This free Bible study lesson takes a look at Andrew, the brother of Peter. We might consider him a "sidekick" or unsung hero, someone less important. We can learn so much from how God used him for huge purpose though, and He wants to do the same with us! God the Potter & the Clay - Bible Lesson for Adults God the Potter and the clay object lesson used in the Bible is a beautiful illustration of His sovereignty in creating us for purpose. If you've ever wondered about your value or purpose in life, these Bible lessons can give you a glimpse into God's heart as our Creator. Lessons From Life "GodPrints Devotions" are basically short, precise Bible studies that inspire, encourage, and help us keep our focus on Jesus even when things get super busy! We think of these as Godprints... because our fingerprints identify us, and God has placed His identifying marks all over our world and lives to point us to Him! These become wonderful spontaneous moments in the midst of our busy day to refocus our attention on God's presence and purpose in our lives. When life connects with God's Word, there is always a lesson! Similar to parables, these lessons teach spiritual principles from everyday life. "Do You See What I See?" Bible lesson relates how a pair of glasses can demonstrate how the Holy Spirit can help us refocus and see life more clearly. "God-Seekers" is a free Bible study lesson which uses sea shells to help us see how uniquely God has created us and how we are seeking Him in our everyday lives. "Planning for 'I Do'" takes feelings of inadequacy when we are out of our comfort zone and encourages us to begin by attempting small. More Bible lessons from life to help us connect God's Word with God's world. Topical Lessons Looking for free Bible study lessons on a specific topic? Hope - Take a look at Matthew 27-28 and the topic of hope through the eyes of Jesus' followers as they waited three days. Prayer Alone - Hebrew 10:23-25 brings encouragement to hold on - we are not alone! Free Bible Study lessons - ebooks: A wonderful friend of mine and a teacher/writer of Bible lessons for all ages for over 35 years, Jodi Green, asked me to make these free Bible study lessons available to our website users - YOU! You may download, print and use all or part personally or with a group for FREE! Jodi kept all copyrights so that she may offer these at no charge; there is no price she would want to put on someone experiencing God's Word! old testament 101 Old Testament 101 is a chronological study through the Old Testament with five daily Bible readings per week. This study is designed for anyone from middle school students to adults who wants to have a more comprehensive understanding of the Old Testament. Many people avoid the Old Testament, thinking it doesn't relate as well to us today. But without a good understanding of God's

the Old Testament, it is impossible to completely understand the magnitude of God's message in the New Testament. We miss so much of the richness of God's grace by studying only the easy parts of His Word. This study is straightforward and takes the right sections in chronological order. There is emphasis in studying the Bible in an orderly way, as opposed to a random passage each day or even a needs-based study (for example, helping you through a particular situation). If you learn to study the Bible in a sequential way, you will eventually find what God's Word says about every conceivable human situation. So, grab your Bible and open your heart to the blessings you will receive from daily time in God's Word.Free Download of Old Testament 101 by Jodi GreenFree Download of New Testament 101If you would prefer a hard copy, Jodi has published these through Amazon at Old Testament 101 and New Testament 101 for the minimum amount she could. Teaching Methods & Ideas for Youth Ministry It's also important to teach teens how to study the Bible for themselves. Grahame Knox has provided several creative Bible study methods for youth leaders to use to teach teens how to enjoy studying God's Word through a variety of techniques. More Creative Ideas for Youth Youth Prayer Times: Christian websites are another tool we can use to spark interest in Christian growth for teens. Many are designed for just that purpose. Prayer for teens is another essential part of ministry. We need to let our youth know someone cares and wants to pray with them and for them. Pinterest has an amazing number of ideas for leading teens in prayer activities. We have saved several to our board - Creative Prayer Stations & Ideas. All four of our children have now crossed the threshold from childhood to the teenage years, and now into young adults who are each loving and serving Christ right where God has placed them. I do not say that to pat us on the back; it was all God! But I am thankful for all the many Christian brothers & sisters God used to impact their lives especially during the trying teen years! I remember James Dobson's advice in one of his books was to "just get them through the teenage years." These years can be somewhat trying, but what a joy it is to see them grow in their knowledge and love for the Lord. We've learned that communication during these years is a must! Many times it's just being there and listening to what they have to say that nurtures their relationship with you as well as their relationship with the Lord. One of the greatest gifts we can give kids, at any age, is our time. Whether you're a parent, grandparent, youth teacher, or friend, invest your time in nurturing their spiritual lives. Be there for them; they need to know that someone is on their side. They need to know that Jesus is on their side. And we hope that these youth Bible study lessons as well as other creative ideas will assist you in doing exactly that. Special note: We do preview the websites to which we link, but are unable to peruse them completely. We try to check others' faith statements and make sure they do profess Jesus Christ as God's Son and salvation is found only in Him. It must, however, be your responsibility to personally dig into God's Word and allow the Holy Spirit to be your first and final teacher on all subjects.
