Save Airtel Xstream Fiber Installation Charge Of Rs.1,000 Tekken 3 Graphics Developers have managed to give you arcade quality graphics with no add-on required. The characters and their movements are all fluid and natural. It was still amazing to just sit back and watch someone else play the game. The characters all reacted realistically. For example, when you hit someone in the side, they hunched over like they were hit in the side. This made tekken 3 very realistic considering the age and the medium you are playing it on. One of the best arcade games of its time Tekken 3 is now available on the android platform. Its developer Namco did not originally launch the mobile app version. But you can still get it via an APK file and easily play it with an external or built in phone emulator app. If you are one of the two or three PlayStation owners who have seen, played or at least heard of Tekken 3, then it's your lucky day. There are no more excuses. This is the best fighting game released to date so it is time for you to pry the controller out of your hand and go pick it up. So, stay tuned and let us help you get started with your beloved Tekken 3 game. [Frequently Asked Questions](#) Tekken is a fighting game developed and published by Namco. It was originally released for arcades in 1994 and ported to the PlayStation a year later. The game was well-received by critics, and it would serve as the first entry in the popular Tekken series, with a sequel, Tekken 2, being released in 1995. The first video game featuring hand-to-hand combat hit arcades in 1976: Sega's boxing sim Heavyweight Champ, starred two chunky monochrome pugilists in striped underpants. Players controlled the action by putting their hands in plastic boxing gloves and making thrusting movements [Open the browser on your PC/laptop; search for Tekken 3 download](#), You will find several platforms providing the installer for Tekken 3; Select one and download the installer for the game. Once downloaded, follow the instructions to install the game, You're all set. Tekken 3 is no longer on the play station store on ps3 [Related Posts:- Upcoming Mobile Price List Dish TV Channel List in India 2022 How To Download And Use Fingerprint Scanner App On Jio Phone?
